Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills along with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen expense through productivity gains.

When required, the workers within TREK and its several dealer members in both technical support and parts would be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machine that eventually reduces your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
