

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as strong and durable equipment which satisfies the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln could supply equipment, parts and warranty service for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results count. Lately, this floor scrubber model has been used by the architects in different construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
